recipient that is a State is not required to be matched, but the benefit of the unmatched amount must be shared as provided in 42 U.S.C. 11375(c)(4). Matching funds must be provided after the date of the grant award to the grantee. Funds used to match a previous ESG grant may not be used to match a subsequent grant award under this part. A grantee may comply with this requirement by providing the matching funds itself, or through matching funds or voluntary efforts provided by any State recipient or nonprofit recipient (as appropriate).

For purposes of this paragraph, the grantee will determine the value of any donated material or building, or of any lease, using a method reasonably calculated to establish a fair market value.
